

CCEA National Board Certification Support Sessions

NBC Support Sessions are free to CCEA members. People who are not CCEA members can pay \$100.00 per session (by check) or join CCEA. Limited to 25 people (members are given priority).

Support Sessions will be lead by Josh Davidson, NBCT Science. Josh has been leading NBC sessions with MSEA for almost two decades. CCEA will have other NBC educators available to support your through this process.

Maintenance of Certificate Candidates We encourage you to attend MSEA Jumpstart for MOC in January (it will be in News & Updates). You are welcome to come to the March and April meetings to have your written commentary read by a NBC educator.
