BLUEPRINT  
for Maryland's  
FUTURE

### GETTING THE BLUEPRINT RIGHT

Our big win in the 2019 General Assembly funded the first three years of the Blueprint for Maryland's Future, adding \$1.1 billion in new funding for improved salaries, staffing, and student programs.

### WHAT'S NEXT?

It's time to update the state funding formula to fully implement the Blueprint over the next decade, and make sure every school is adequately funded. Winning this at the state level will open up the door to more raises, more staffing, and more programs that make a difference for students in Carroll!

### HOW DO WE WIN?

By raising our voices and demanding the state do right by our students and educators! Stand with your fellow Carroll County citizens, parents, and educators at the Community Forum in Sykesville!

"IF WE BELIEVE EDUCATION IS IMPORTANT, WE MUST BE WILLING TO SHOW UP AND SPEAK OUT FOR OUR VOICES TO BE HEARD."

— Tom Scanlan,  
Westminster High  
School Teacher
